

Development Plan

2019 – 2022

An ambitious curriculum that gives all pupils knowledge, experience and aspiration so they can succeed in life

Inspire exceptionally positive behaviour and attitudes to learning. Pupils have high levels of attendance

Ensure subject leadership is strong by becoming confident in knowledge and pedagogy, and improving pupil outcomes

Support pupils to develop in many diverse aspects of life and provide for the personal development of pupils

Continue to diminish the difference between vulnerable groups of learners

Raise the profile of the school and improve the learning environment so that it inspires all children

Develop provision in Early Years, helping children be independent, inquisitive and highly engaged
