

Development Plan

2017-2020

Continue our pursuit of excellence to create a culture of high expectations and aspiration for all

Further improve the quality of teaching by challenging our more able children

Ensure that subject leadership delivers improved pupil outcomes

Improve learning behaviour so that it is Outstanding

Continue to diminish the difference between vulnerable groups of learners

Raise the profile of the school and improve the learning environment so that it inspires all children

Develop provision in Early Years, helping children be independent, inquisitive and highly engaged
