Your Child Benefits

Everyone who has a child at the school or works at the school is automatically a member of the Parents and Teachers Association (PTA) and other members of the Stopsley community are more than welcome to join. This independent group is led by parents, for parents. It allows parents and carers much greater involvement in the school.

The key aims of our PTA:

Increase the involvement of parents and carers in the school.
Make sure that information is shared and that everyone who wants to contribute can do so.
Work together with school staff to make our school even better.
Represent parents, carers, children and families at Stopsley Community Primary School.
Raise money to help fund whole-school resources and experiences.
Seek to be a positive influence.
