Some of the subjects above will have accompanying work on the Year 5 distance learning page so please do have a look.

Maths:

Select the video for each day based on the video title in the timetable above. Worksheets are uploaded onto the distance learning page. If children are finding the work tricky, then there is a less challenging worksheet. Most children should be able to complete the first page of the most children worksheet and then for those who would like more of a challenge they can try completing the whole worksheet.

History:

Your task is to create a fact file about the Maya. You can present this however you decide! You could create a PowerPoint presentation, a leaflet or a poster. Each week, a new information page will be added to the home learning timetable for you to use for research.

PE:

PE is on YouTube with Joe Wicks, children can choose another activity if they wish as long as they are getting active. On the days Joe isn't live you can repeat one of his past workouts. <https://www.youtube.com/playlist?list=PLyCLOpd4VxBuS4UeyHMccVAjpWaNbGomt>

Google Meets

Each week all three classes will have their own Google Meeting. To log into the meeting, each child will need to log into their Gmail accounts (same login they would use to go on a Chromebook in school) and click on my meetings, then join at the appropriate time. Please check to make sure you have the link to the meeting prior to the meeting, if you do not have the link/meeting in the Gmail please email year5help@stopsley.primaryluton.co.uk and we will resend the link. If any children cannot remember their log in detail, again please email the year 5 help email address above.

Extra activities

You can add extras to the timetable above. Reading is a great activity to add and you can still access **Acelerated Reader** to do quizzes and climb the word count leader board from home! Just follow this link: <https://ukhosted87.renlearn.co.uk/2232141/>

Another great activity is playing **TRockstars** (email if you are not sure of login details). You can take part in different **Rock Battles** that will be organised over the next few weeks, this week it is a year group battle between Year 3, 4, 5 and 6 – do your bit to support Team Year 5! Another thing you can do is challenge your friends to **Rock Slams** to see who is the ultimate times table champion.

If children would like more website activities to do then have a look at this page on the school website:

<https://www.stopsleyprimary.co.uk/page/?title=Links+to+Useful+Websites&pid=45>

Daily reading

The Year 5 team will be reading 5 chapters a week of The Explorer by Katherine Rundell, follow the links below to see the team read on YouTube.

Chapter 1: <https://youtu.be/2tespFj96jU>

Chapter 2: <https://youtu.be/dtFvEprj-HI>

Chapter 3: <https://youtu.be/6c4kg2cD7ak>

Chapter 4: <https://youtu.be/OMVGNpQRFg0>

Chapter 5: <https://youtu.be/3ocNG0C9oIQ>
