

Reception Home Learning - Maths wk beg: 25th Jan 2021

Follow the timetable on the website. Choose at least 1 task for each day from the menu below. If you want to do more than one go for it! You can share pictures of your learning onto Tapestry

Tuesday	Wednesday	Thursday
Find some objects in your house. Using your hands, find out which is heavier and which one is lighter. Then draw these objects in your notebook and label them as heavy/light. Do this exercise with 3 pairs of objects.	Draw different shapes on pieces of paper. Cut them out and make a shape picture. Write down all the different shapes that you used in your picture. Can you include a hexagon in your shape picture?	Write down your number bonds to 6. Now, can you add 3 numbers to make 6? Write it in your notebook. Use objects from your house to help you.
Find some objects in your house. Using your hands, find out which is heavier and which one is lighter. Do this exercise with 3 pairs of objects.	Draw different shapes on pieces of paper. Cut them out and make a shape picture.	Write down your number bonds to 6. Use objects from your house to help you.
Find 2 pairs of objects in your house. Using your hands, find out which one is heavier and which one is lighter. Tell your grown-up what you found out.	Draw a triangle, circle, rectangle and a square in your notebook.	<u>Number bonds to 6</u> Find out the answer: $2+4=$ ____ $5+1=$ ____ $3+3=$ ____ Use your fingers/objects to help you.
