

Take Away

Choose your homework

Literacy/Phonics

Choose a phoneme or diagraph (for eg 's' or 'ch'). Put on a timer for 2 mins. How many objects can you collect/find in your house starting with that sound? Can you write sentences using your words? For eg. Chair for 'ch': Dad sits on the chair.

Choose a phoneme or diagraph (for eg 's' or 'sh'). Put on a timer for 2 mins. How many objects can you collect/find in your house starting with that sound? Can you write labels/captions containing your words?

Choose a phoneme or diagraph (for eg 's' or 'sh'). Put on a timer for 2 mins. How many objects can you collect/find in your house starting with that sound? Sound talk your word to your grown-up and see if they can guess what you found.

Maths

Find 20 items in your house and split them into 2 groups in as many different ways as possible. Write down all the calculations to match your groups. Eg. $3+17=20$, $15+5=20$

Find 10 items in your house and split them into 2 groups in as many different ways as possible. Write down all the calculations to match your groups. Eg. $3+7=10$, $5+5=10$

Find 5 items in your house and split them into 2 groups in as many different ways as possible. Write down all the calculations to match your groups. Eg. $3+2=5$, $1+4=5$

Reading

Read a story book.

Can you draw the beginning, middle and end and write a sentence to describe each part.

Read a story book.

Can you draw the beginning and end and write a sentence to describe each part.

Read a story book.
