

Year 4 - Take Away Home Learning !

Choose your homework from the menu below
Choose as many activities as you like but the more the better!

Create a maths game about fractions.	Create a fact file about Vikings.	Create your own 3D model of the human digestive system and explain how each part works.
Create your own journal on how mathematicians would find fractions of quantities/ amounts.	Write a Viking myth. Include direct speech, paragraphs and characterisation.	Draw and explain the different parts of the human digestive system.
Create word problems/ stories that involve adding and subtracting fractions.	Create character profiles on the Viking gods and goddesses.	Investigate the function of each tooth and present it in a creative way.
Create your own fraction wall and find equivalent fractions.	Draw and label a Viking longship, longhouse and a Viking.	Investigate and present the food chains for animals of your choice using pictures and labels.

Maths games you can access on-line, eg: TT Rock StarsRead as much as you can – Why don't you keep a 'reading diary'? Practise all of the spellings that you have learned this year and those from the High Frequency Word List
