

Valentine's Day Home Learning Challenge

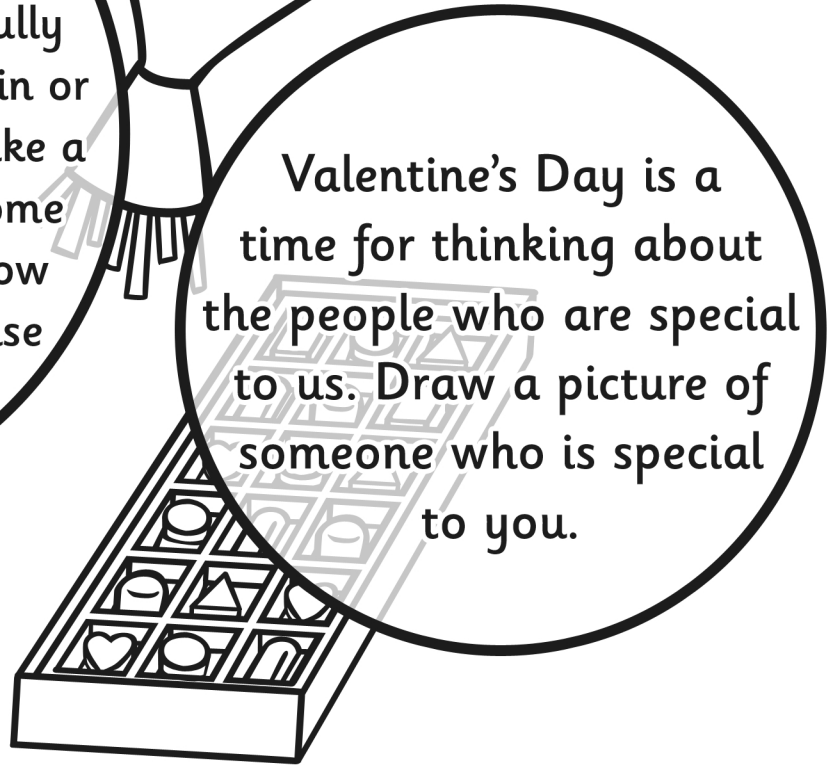

Make a Valentine's Day card for someone in your family.

Harry had made 2 Valentine's Day biscuits and 2 Valentine's Day buns. How many treats had he made altogether? Draw a picture or use your fingers to help you work out the answer.

Ask a grown up to help you make a hanging heart. Draw a heart shape onto paper or card and very carefully cut it out. You could colour it in or make patterns on it. Next, make a hole in the top and thread some wool or string through it. Now you can hang it in your house or give it to someone special.

Valentine's Day is a time for thinking about the people who are special to us. Draw a picture of someone who is special to you.
