

Reception Home Learning – Phonics wk beg: 1.3.21

Follow the timetable on the website. Choose at least 1 task for each day from the menu below. If you want to do more than one go for it! You can share pictures of your learning onto Tapestry

Tuesday	Wednesday	Thursday
Can you correctly sort the 'ch' words, where does the 'ch' sound come? Can you write a sentence for a 'ch' word at the beginning, middle and end? Sound hunt! Walk around your home, how many things can you find that have the initial 'ch' sound? Can you label the different items?	Can you make your own fish tank? How many 'sh' fishes can you add to your tank? Popcorn! Ask your grown up to call out lots of words, don't forget to only pop up for words that start with the 'sh' phoneme.	Complete the 'be' worksheet, where you will have to find and trace the word 'he' as well as writing your own sentence. Pick one of your favourite books. How many tricky words can you find in it?
Puzzle! – can you rebuild the 'ch' puzzle? How many 'ch' words can you write? Challenge your grown up, who can think of the most 'ch' words? Take it in turns you think of an 'ch' word, your grown up thinks of an 'ch' word. The one who thinks of the most wins!	Can you make your own fish tank? Remember only add real word 'sh' fishes to you tank! How many ways can you make the 'ch' digraph? Can use your cars, pencils, vegetables, anything you have to create the 'ch' digraph?	Complete the 'be' worksheet, where you will have to find and trace the word 'we' as well as writing it yourself. Ask your grown up to set a minute timer, who can write the tricky word 'be' the most times?
Using the letter tiles can you build the 'ch' words to match the pictures? Can you correctly form the 'ch' grapheme? Why don't you try and write the 'ch' grapheme.	Make your own 'sh' folding book remembering to write in the 'sh' grapheme. Popcorn! Ask your grown up to call out lots of words, don't forget to only pop up for words that start with the 'sh' phoneme.	Complete the tricky word 'be' sheet, how many times can you find it? Ask your grown up to write 'be' on ten bits of paper/post it notes and get them to hide them around the house. Can you find them all?
