STOPSLEY COMMUNITY PRIMARY SCHOOL AND NURSERY

FAMILY WORK NEWS

COFFEE MORNING SUCCESS!

It has been absolutely fantastic to see so many of our families join and take part in our events that we have held this half term—we have loved having you back.

Throughout the first half term, we have held a number of coffee mornings, each focused on a different topic, including a welcome coffee morning and a curriculum morning where questions and discussions around the curriculum at Stopsley Community Primary School have been talked about.

What has been great about these is the support that we have seen given from

one family to another and the rich conversations about supporting your children at home have been valued. The adults running these sessions have also really enjoyed the opportunity to sit down in a calm and welcoming environment and get to know our families at our school.

During the coffee mornings, lots of parents and carers have volunteered their time and joined our PTA. We would like to take this opportunity to say a huge thank you as this makes a huge difference to our school.

WE VALUE YOUR FEEDBACK

We welcome parent feedback, which we always appreciate and value. This helps us to plan a variety of events and activities.

Come in to see us, give us a call,

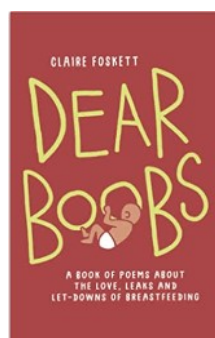

drop us a note or visit the feedback page on the school website.

A member of our Stopsley Community has written this book to support parents who are going through breastfeeding.
