

RE

We will be learning about Hindus and their festivals. Children will learn about special places and beliefs.

PE

PE is every Monday. Children must come into school in their PE kits.

The sport we will practising will be:
Dance and Hockey.

Science

In science children will be learning about rocks and soils. Children will be comparing and sorting rocks and finding out how fossils are formed. This will also be linked to DT where children design and make their own fossils.

Autumn 2

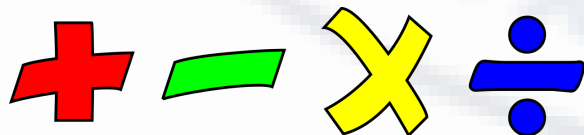

Year 3 Curriculum Newsletter

Maths

We will be looking at developing children's understanding of addition and Subtraction and multiplication and division.

How you can help at home

- Encourage your child to play TT Rockstars to help with their times tables.
- Develop your child's understanding of addition and subtraction

English

Children will be working on skills to write their own brochure.

Reading will continue to be taught daily through a range of texts types and a class book will be shared regularly to encourage reading for pleasure.

How you can help at home

- Encourage your child to read at home every night for 20minutes and then questions about what they have read.
- Encourage your child to keep a diary to write about their experiences.

Topic

Our topic this half term is volcanoes. Children will begin this topic by using maps to locate volcanoes. They will then learn how volcanoes are formed and what is inside the earth. Children will get an opportunity to see a model volcanic eruption.
