

RE

We will be learning about Hindus and their festivals. Children will learn about special places and beliefs.

PE

PE is every Wednesday. Children must come into school in their PE kits.

The sports we will be practising will be:

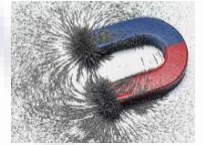

Basketball and Hockey

Science

In science, children will be learning about forces and magnets. They will carry out activities to find out which forces are used to move certain objects.

Children will also investigate the strength of magnets and find objects that attract.

Autumn 2

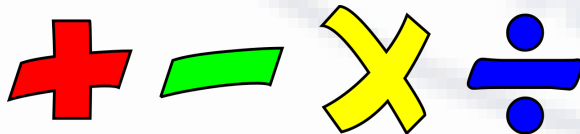

Year 3 Curriculum Newsletter

Maths

We will be looking at developing children's understanding of addition, subtraction, multiplication and division.

How you can help at home

- Encourage your child to play TT Rockstars to help with their times tables.
- Develop your child's understanding of addition and subtraction

English

Children will be working on skills to write an information text, instructions and to perform poetry.

Reading will continue to be taught daily through a range of text types and a class book will be shared regularly to encourage reading for pleasure.

How you can help at home

- Encourage your child to read at home every night for 20 minutes and ask them questions about what they have read.

Topic

Children will be continuing to learn about life in the Stone Age this half term. They will be learning about different tools used in the Stone Age, what people lived in and what they used to eat. After that, they will be learning about the Bronze Age and the Iron Age.
