

## RE

In Re, we will be learning about Sikhism.

Children will focus on beliefs, place of worship, and special symbols for Sikhs. We will then compare certain aspects to our everyday lives.

## PE

PE is every Wednesday. Children must come into school in their PE kits.

The sports we will practising will be:  
cricket and football.

## Science and Art

In science children will be learning about rocks and soils. We will be comparing and sorting rocks and finding out how fossils are formed. This will also be linked to Art where children will design and make their own fossils.

Spring 1

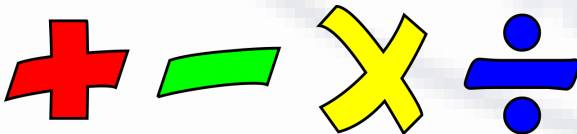

# Year 3 Curriculum Newsletter

## Maths

We will be continuing to develop children's understanding of multiplication and division and length and perimeter.

### How you can help at home

- Encourage your child to play TT Rockstars to help with their times tables.
- Develop your child's understanding of addition and subtraction.

## English

Children will be working on skills to write a story with a familiar setting, shape poems and kenning poems.

Reading will continue to be taught daily through a range of texts types and a class book will be shared regularly to encourage reading for pleasure.

### How you can help at home

- Encourage your child to read at home every night for 20minutes and ask them questions about what they have read.
- Encourage your child to keep a diary

## Topic

Our topic this half term is volcanoes. Children will begin this topic by using maps to locate some volcanoes around the world.

They will then learn how volcanoes are formed and what is inside the earth. Children will get an opportunity to see a model volcanic eruption.
