

Geography

This half term the children will be finding out about the Earth and it's natural resources. We will be learning about different sources of energy and will be finding out where resources such as wood, steel and glass come from.

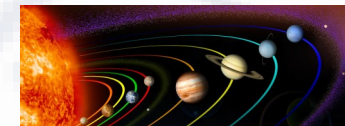

PE

PE is every **Wednesday** this term. Children will need to come to school in their PE kit. This half term the children will focus on dance.

Science

Our topic this half term is Earth and Space. We will be learning about our solar system, the moon and its cycle, and what causes day and night.

Spring 1

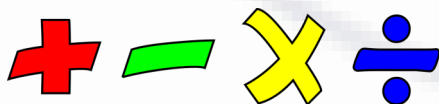

Year 5 Curriculum Newsletter

Maths

This half term the children will be learning formal written methods for multiplication and division, including multiplying by a 2 digit number. They will also continue to focus on fractions, including multiplying fractions by a whole number.

How you can help at home

Encourage your child to play TT Rock Stars to help with their times tables and develop fluency by playing games such as

English

In spring 1 we will be writing a story based on the short film 'One Small Step'. We will also look at writing to persuade and will be creating leaflets to convince visitors to come to the planet of Pandora

How you can help at home

Encourage your child to read at home every night for 20 minutes and ask them questions about what they have read.

Art

This half term the children will be focus on the art of Peter Thorpe and will be learning how to draw using one-point perspective and 3D drawing techniques.

RE

This half terms topic is 'How and why do some people inspire others?'. We will be learning about religious and non-religious inspirational people, exploring what makes someone inspirational and relating it to ourselves.
