ALL ABOUT STOPSLEY COMMUNITY PRIMARY SCHOOL AND NURSERY

5th Dec 2025

Dear Parents,

We are delighted to say that our Christmas celebrations are now in full swing! The children arrived to school yesterday to see their own-made decorations up in their classrooms, Christmas trees up and everything looking cheerful and festive! The school is buzzing with excitement as we head into this special time.

A big thank you to all parents who joined us for our Christmas Crafts events this week. It was wonderful to see so many families creating festive decorations together. The children seem proud of their creations. We are now looking forward to the KS1 Christmas production (The Fleece Force) which takes place next Tuesday. Please make sure that you have reserved your seats via our Google form if your child is in year 1 or 2. The children have been practising the play with great enthusiasm and are excited to share their hard work and talent with you all.

I do need to remind all parents that children should not be riding their scooters in our playground before or after school. Staff are continually needing to tell children about this during drop-off and pick up times. Please can parents make sure they support us with this as it helps keep everyone safe during busy times. Thank you for your cooperation.

We hope you are enjoying our recent posts on our social media platforms. There are some lovely pictures and some amazing videos on there. Our latest video of staff has gone viral and has made its way to Canada as well as all over the UK! Thank you to Mrs Lefcovitch, who leads on our Facebook and Insta accounts. Do take some time to scroll through these platforms and please keep re-sharing the content - The video of several children talking about the importance of kindness is so warming.

Have a great weekend.

Headteacher
