

THE STOPSLEY NEWS

ALL ABOUT STOPSLEY COMMUNITY PRIMARY SCHOOL AND NURSERY

12th Dec 2025

Dear Parents,

Our Key Stage 1 children put on a wonderful Christmas play this week, filling the hall with festive magic, confident voices and lots of big smiles! From the amazing singing to the fun acting, every child shone brightly and made us all feel very proud. Well done to all of the children for their hard work and enthusiasm. With other activities taking place, it's certainly been a memorable start to the Christmas season! We have parties, Christmas dinner and Year 1 visiting a pantomime to look forward to next week, as well as our Nursery Carols taking place on Thursday. Please can all Hedgehog's parents make sure they let us know how many seats they need for this via our Google Form.

So, Myles Smith liked our Year 6 dance video on Instagram! We are thrilled to know that the children's hard work and brilliant choreography reached such a wide audience. It was a lovely surprise that added an extra boost to their project and it reminds us all how creativity and confidence can take you further than you think. You can see the video on our social media and school website.

Our Sports Academy children will be receiving their termly reports soon. We hope parents and children find these useful and that they help them with their football development. They are detailed reports sharing strengths and improvement areas, as well as commenting on attendance and children's attitudes towards our 'Stopsley 6' values. Luton Town Football Club and ourselves have recently agreed on a new looking partnership from January, which is one of a kind for primary schools. With all the usual player visits, gift of match tickets, mascot privileges and stadium events, we will also now be having a LTFC Coach join our Sports Academy, working in the school four days a week. This opens up lots of new opportunities, as well as us having a feature page in their matchday programme and being connected with the club through their social media.

We are looking forward to all of the Christmas fun next week, which is our last week of term. All children should be in school each day next week. Our Rainbows and FLAG Clubs both run next Friday afternoon.

sports

Luton Town Football Club came to deliver some goodies to some very lucky children this week. They were given some football sticker books and Daydad and Tazrian received some Sketchers football boots. Thank you LTFC for your generosity and making our children's day!

KS1 Production - 'The Fleece Force'

A big congratulations to our KS1 children for their performance in this year's nativity. Thank you to those who were able to attend, we're sure you'll agree, they put on an amazing show!

MUSIC

Our choir sang at the Singing Café this week for those in our community with Dementia. It was such a lovely morning and the children were treated to cake and drinks.

The Rock Steady Christmas Concert was a huge success! We are so proud of the children for performing in front of a crowd (some of which have only been learning their instrument for a matter of months!) Well done!

WE ARE HIRING!
