ALL ABOUT STOPSLEY COMMUNITY PRIMARY SCHOOL AND NURSERY

30th Jan 2026

Dear Parents,

Thank you to you all for your ongoing support with everything we do at this school. We don't always get everything right but we try to and it is never deliberate if some of our ideas or activities do not work out. The main thing we have here are staff and parents who love the children and want to do the very best for every single one of them. If we get things wrong, please do come in and talk to us about it as we are always learning, wanting to improve and wanting to get things right.

It has been great to hear of families reaching out and getting to know our Family Worker Mrs Herrick. Please do remember that she is here every Monday to Thursday morning if ever you need anything. You can find information about our family work on our school website or through our social media (Facebook and Insta). As a school, we pride ourselves that we earned the Leading Parent Partnership Award. It's important to us that parents are involved in school life. With this in mind, I just want to share that we do love having you all in for a Friday morning reading session, so please continue to come to your child's classroom for this at 8:45am every week. It is also great for ourselves (as leaders) and teachers to get to talk to you all before and after school, outside and at classroom doors. Please do catch us if ever you need anything.

Thank you to our Year 6 parents for taking the time to attend Learning Review Day. It was great to meet all parents and celebrate your child's progress. Having meaningful conversations about how they are doing both academically and socially is really important to us. These discussions are so valuable as we work together to plan and support your child through this important last half of the year ahead. We really appreciate your ongoing partnership and involvement.
