

**Year 6 SATs Week Special Breakfast**

**Monday 11<sup>th</sup> May – Thursday 14<sup>th</sup> May 2026**

Dear Parents,

SATs week is fast approaching and the children are continuing to work really hard in preparation for this. We are very proud of all of them.

During the week of the SATs, it is absolutely vital that your child is in school each day and is in school on time. The week takes place from Monday 11<sup>th</sup> May to Thursday 14<sup>th</sup> May. To help the children make sure they are in school on time – and to make the week enjoyable for the children – we would like all of the year group to attend a special SATs breakfast that we run for them. This takes place in the Key Stage 2 hall. The children will be served breakfast by members of staff and will have the opportunity to relax with their friends before the tests begin. Breakfast will be of a continental variety, with fruit juice, toast and fruit, amongst other specialties!

In our experience, meeting for breakfast is extremely beneficial to the children's performance in the tests - as any last-minute nerves / fears can be easily dealt with and the children are set in a good, positive frame of mind.

There is no charge for the breakfast club as the school provides this for every child. Entrance will be via the **library gate only**, which will be open at **8.15am** each day. The children should arrive between **8.15am and 8.30am**. Our special breakfast finishes at 8.45am, with the children then moving straight to their classes.

Please can you complete the reply slip below to confirm your child's attendance, returning it to your child's class teacher or to our school office team. We do need all reply slips back so that we can cater for the correct number of children, please do contact us if you have any questions.

We thank you for your continued support.

Mrs Fuller and Mr Palumbo
