

RE

We will be learning about places of worship and their importance. We will learn about how people behave in places of worship and some of the activities that may take place there.

After half term, we will learn about prophets.

The religions that we will learn about this term are Islam, Christianity, Judaism and Sikhism.

PE

PE is every Wednesday afternoon. Children must come into school in their PE kits on this day.

Over the autumn term, children will be learning handball and dodgeball. The children will also have dance taught by our specialist dance teacher.

Science

In science, the children will be learning about light and dark.

After half term, they will learn about forces and magnets.

Autumn

Year 3 Curriculum Newsletter

Maths

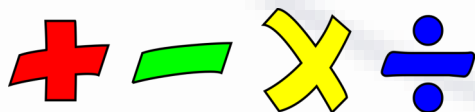

We will be looking at developing children's understanding of place value in 3 digit numbers. Children will apply this learning to addition and subtraction. We will also be learning about multiplication and division.

How you can help at home

Encourage your child to play TT Rockstars daily to help with their times tables

Continue to work in their times table books

Develop your child's understanding of the value of each digit in a number

English

Children will be linking their English work with our topic – Stone Age to Iron Age. Over the term, they will be learning how to write a setting description, a story of time travel, an information text and instructions. We will continue to build on the skills taught in Year 2 by learning about paragraphs, determiners and speech punctuation.

Reading will continue to be taught daily through a range of text types and a class book will be shared regularly to encourage reading for pleasure.

How you can help at home

Encourage your child to read at home every night for 20 minutes and ask them questions about what they have read

Encourage your child to practise their spellings for our spelling tests on Tuesdays.

Topic

Our topic this term is Stone Age to Iron Age. Children will be learning about how people lived during this time, types of homes and will compare life between then and now.

The children will also get the opportunity to learn about cave paintings and will design and make some jewellery that people wore during this time period.
