

Geography

This half term we will be studying rivers including the water-cycle.

Children will expand on their Geography vocabulary using appropriate language to describe and explain the features of rivers.

PE

PE is still on Thursday afternoon. This half term we will be looking at ball skills and invasion games. We will be continuing with developing our skills of attack vs defence.

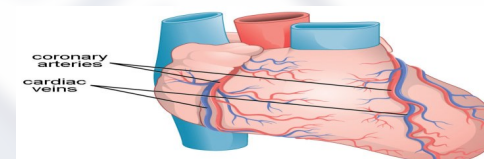

Children **must** come in wearing their PE kit on a Thursday.

Science

We will be studying the human body and the effects a healthy lifestyle has on our bodies.

We will be exploring the functions of the human body, including some of the main organs. The children will use their knowledge to create fact files.

Spring 1

Year 6 Curriculum Newsletter

Maths

We will be expanding on our understanding of fractions and begin recognising the links between decimals, fractions and percentages. We will be exploring ratio and algebra and developing our skills with percentages.

How you can help at home

Encourage your child to play TT Rocks Stars to help with their times tables. Encourage your child to talk about maths and share their understanding of what they have learnt.

English

We will be linking our writing to our wide range of curriculum topics and will be writing for a range of purposes. Through our English lessons, we will be developing our grammar skills and applying these to our writing.

How you can help at home

Encourage your child to read every night for 20 minutes and ask them questions about what they have read. Encourage your child to keep a diary to write about their experiences of something.

RE

We will be exploring the concept of faith in the contemporary, examining its motivations, challenges and interaction with scientific theories.

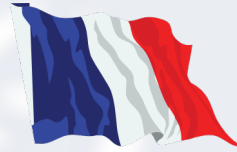

Computing

In computing this half term, we will be learning about 'blogging'. We will also be learning about keeping safe around online communication.

French

We will be learning to speak and write French phrases and sentences. We will learn how to talk about neighbours, distances and directions.

PSHE

We will be learning more about our health and well-being. We will learn techniques and strategies to help look after our body.
