

THE STOPSLEY NEWS

ALL ABOUT STOPSLEY COMMUNITY PRIMARY SCHOOL AND NURSERY

3rd July 2026

Dear Parents,

It was great to finally have our Sports Day on Wednesday and what a fantastic day it was! The children demonstrated incredible energy, ability and teamwork throughout the wide range of events. It was wonderful to see so many smiling faces with the children all giving their best and encouraging one another in every race and activity. A huge thank you to Mr Chart for his hard work in organising the day and to all parents who came along to support – it made it such a memorable occasion.

We are looking forwards to the last two weeks of the year as we have lots of exciting things happening. Reception and Year 2 have their summer term trips and we thank parents for their support with these. They help bring learning to life! Year 5 have their rearranged 'Camp Out' next Wednesday and Year 6 perform their production of Aladdin next Thursday. We also have our Year 6 Leavers Service and Reception's 'end of year' assembly in the final week.

Our Open Evening is on Wednesday 15th July and we hope lots of parents will come and visit us between 3:45pm and 5:00pm on this day. This is a chance to go to your child's current classroom and look through their books, as well as meet with their teacher (informally) to find out how the summer term has been going for them. Parents may also visit their child's new classroom and meet their new teacher. Your child will be able to show you where this is. Our new teachers, Mrs Lee-Dell and Mr Gifford, will both be in their new classrooms. We hope that parents will also visit the Key Stage 2 hall to see our exhibition on different cultures. The children have all produced a piece of art work to celebrate the different cultures that we have across our classes. We also hope that you will visit The Barn for some food tasting with Grow Catering (please see the flyer for this attached). On the 15th, please pick up your child from their classroom door (as usual) at 3:30pm and then wait for our doors to reopen at 3:45pm for Open Evening. Teachers do need this quick turn around time after school to prepare and for a comfort break.

Apologies to Year 6 parents for the confusion around children being in school yesterday and this being different information to what I mentioned in a previous newsletter. Unfortunately, some local High Schools did different transition plans for when Year 6 would visit them. Some changed their plans late meaning that – in the end – our Year 6s needed to be in school yesterday. Local Primary School Heads have raised the difficulties this caused with LBC. I apologise for doing a U-turn with our plans.

We only have a few spaces left across our whole school for next year. If you know of anyone who wants to join #teamStopsley in September, please do tell them to get in touch – quickly! Our Year 4 to 6 classes are completely oversubscribed and currently, our new Reception intake for September is full.

Have a good weekend – Please make sure you have seen my email about England's World Cup match.

Mr Fordham
Headteacher

STOPSLEY sports

This week, we held our sports day and it was fantastic to see the children taking part, competing and supporting their peers with such enthusiasm. Thank you too to all the grown-ups who came to give the children their support, it is hugely appreciated.
